MASTERPIECES

For VIOLIN and PIANO

Series VII

ROMANCE, Op. 40, No. 1 (S 3404).....H. Vieuxtemps .60
Expressive beauty and dramatic climaxes make this a most admirable solo. Extreme technical difficulties such as are found in so many of this composer's works are entirely lacking, making it an admirable composition for gifted, medium-advanced players.

LES ADIEUX, MELODIE, Op. 9 (S 3011).....Pablo de Sarasate .65
In none of his other violin solos has Sarasate given such proofs of genuine melodic inspiration, nor has he surpassed the elegance of style or tuneful originality of this one. Demands fine, broad tone production and considerable, well-developed left-hand agility.

L'ARAGONESA, Valse de Concert, Op. 42 (S 3053).....D. Alard 1.00
A stirring concert waltz offering manifold opportunities for brilliant technical display; demands considerable surety in all the lighter varieties of spiccato and staccato bowing and advanced ability in position playing.

TWO CHARACTERISTIC MAZURKAS (Obertass and Dudziarz) Op. 19 (S 3745).
H. Wieniawski .90
Two of this composer's best-known shorter concert solos, in a fine new edition, carefully revised and provided with every conceivable suggestion for guidance of either soloist or student.

ADAGIO RELIGIOSO, from 4th Concerto, D Minor, Op. 31 (S 3009).....H. Vieuxtemps .60
One of Vieuxtemps' most inspired master compositions, in which he voices a song of tender and religious appeal rarely, if ever, equalled in any of his other works for the violin.

SPANISH DANCE, No. 7 (S 3755).....Pablo de Sarasate .75
Representative example of this writer's most brilliant concert solos. Demands very advanced players.

SPANISH DANCE, Op. 58, No. 1 (S 3464).....F. Rehfeld .50
Strikingly original and brilliant, this solo offers captivating oportunities for advanced concert Players.

AIR VARIE, Op. 22, No. 2 (S 3020).....H. Vieuxtemps .75
A fine concert number for the display of difficult double-stop passages and brilliant bowing. For advanced players only.

GUITARRE, Op. 45, No. 2 (arranged by Pablo de Sarasate) (S 3791).....M. Moszkowski .60
Brilliant concert arrangement of this strikingly original composition. Highly suitable for advanced soloists of the virtuoso type.

SPANISH DANCE, No. 3 (Romanza Andaluza) Op. 22 (S 3795).....Pablo de Sarasate .50
One of the most effective solo numbers of a set which made this composer famous.

ARIA AND GAVOTTE from the Suite Op. 43 (S 3512).....H. Vieuxtemps .60
Brilliant concert numbers in style and form of the classic writers.

I LOMBARDI (Jerusalem) Fantaisie (S 3801).....H. Vieuxtemps 1.25
An Operatic arrangement for advanced players.

SPANISH DANCE, No. 8 (S 3569).....Pablo de Sarasate 1.25
One of the most melodious of the set of dances by this composer.

SERENADE MELANCOLIQUE (B♭ Minor, Op. 26) (S 3802).....P. Tschaikowsky .65
A typical example of Tschaikowsky's most inspired style of writing for the violin. To be found upon the concert program of every great violin soloist.

SIERRA MORENA (Serenata Andaluza) (S 3864).....J. de Monasterio 1.00
Effective concert music for the violin imbued with individual charm and idiomatic of Spanish national character. A successful repertoire number of all great players.

CARL FLESCH

Instructive Works, Concert Transcriptions and Revisions for VIOLIN

THE ART OF VIOLIN PLAYING

Book One. Technique in General—Applied Technique $6.00
Book Two. Artistic Realization and Instruction $6.00

English Text by Frederick H. Martens

The most comprehensive and authoritative of all modern works on violin playing. Covers every conceivable phase of the art and offers exhaustive information on every subject connected with the study of violin playing. Illustrated with photographic poses in Book One and music examples in both books selected from master works of the entire literature.

SCALE SYSTEM $2.50

Scale exercises in all major and minor keys for daily study. A supplement to Book One of "The Art of Violin Playing."

PROBLEMS OF TONE-PRODUCTION IN VIOLIN PLAYING $1.25

English Text by Gustav Saenger

Tone-production, one of the essential factors of artistic violin playing has been singled out in this book, for the most exhaustive discussion and analysis ever attempted. Every conceivable problem of tone-production as affected by mechanical requirements, left-hand technic, bowing technic, dynamics, etc., has been taken up and solved in nine chapters, profusely illustrated with music examples and provided with a special appendix of fifty-four studies for tone-production.

The book constitutes still another out-standing contribution to instructive violin literature by one of the foremost pedagogs of our time, on a subject which, up till now, has not been accorded the serious attention it deserves.

URSTUDIEN (Basic Studies) $1.00

With English, German and French Text

The most famous of all modern instructive works for gaining technical mastery. The studies provide a short infallible method for expert left-hand proficiency.

VIOLIN AND PIANO
